**Did you know?**  
According to the National Institute of Mental Health, 74% of people have anxieties about public speaking.

Dist. <http://www.standup.com> copyright of public speaking education  
Photo: <http://www.photobase.net>

It has a thorough overview of ethics and public speaking, communication apprehension, organizing/outlining, informative speaking, visuals aids, persuasive speaking and... read more Reviewed by Robert Green, Assistant Professor of Communication Studies, Bloomsburg University of Pennsylvania on 3/13/19 Although the comprehensiveness of this textbook might be a barrier to some students, and although the market appears to be trending towards minimalist textbooks, the comprehensiveness of this textbook is one of its strongest points. There are no topics missing, read more Reviewed by Mike Baxter-Kauf, Lecturer, University of Minnesota on 6/10/15 The text does a nice job covering the mechanics of constructing a speech and has a very thorough explanation of the goals, ethics and other "preliminary questions" that go into the process. read more Reviewed by Ruth Fairchild, Instructor, Ridgewater College on 6/19/18 Stand Up, Speak Out covers public speaking effectively, providing clear explanations of the content. So often to save money for the students, instructors have relied on a pocket guide style of public speaking book. read more Reviewed by Sunni Davis, Faculty, Communication Studies, University of Arkansas Cossatot on 4/25/19 The text was very complete and covered the essentials for a basic introductory course in public speaking. read more Reviewed by Caleb Lamont, Adjunct Faculty in Communication Studies, Eastern Oregon University on 6/13/21 This text covers a wide range of topics, all of which are important for students to be aware of for a public speaking text. Giving students a solid base in delivery is a key to giving confidence to beginning speakers, and this text covers the essentials in clear... These are vital components of the persuasive speech process, so I was looking for further detail. I highly recommend this book, every chapter is valuable, easy to understand, and questions at... It looks like you're offline. read more Reviewed by Lucy McKain, Adjunct Professor, Middlesex Community College on 6/30/20 I thought this book covers most of the basics of writing and delivering a speech topic. read more Reviewed by Gregory Epps, Associate Clinical Professor, West Virginia University on 12/5/16 The book covered all of the areas associated with the subject matter. The content is extensive and larger courses may not have the time to address all of the material included. Content is consistent with other textbooks with chapters... read more Reviewed by Carrie Tomko, Senior Lecturer, OhioLink on 3/5/19 From start to finish, Stand Up Speak Out (SUSO) contains a comprehensive collection of topics on public speaking, ideal for the college classroom. read more Reviewed by Kristen Hungerford, Visiting Assistant Professor, Miami University on 8/2/18 The text covers all areas and ideas that are typically discussed in an introduction to public speaking book. Particularly excellent are the discussions of ethics (especially... read more Reviewed by Lori Adair, Adjunct Instructor, Aims Community College on 6/5/19 This text book is very inclusive and covers all the typical concepts you would expect to find in a public speaking text with additional hyperlinks to extra content. In addition, all chapters contain information that perfectly falls under the umbrella of public speaking. I did not see a glossary. This is a nice option if you want to include the thorough... As the title says, both the practical and ethical aspects are included. read more Reviewed by Shannon Crawford Barniskis, Instructor, Doctoral Candidate, Consultant, University of Wisconsin-Milwaukee on 1/7/16 The book is quite comprehensive, and covers similar materials to other public speaking texts. To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. read more Reviewed by Kari Frisch, Instructor, Central Lakes College on 1/7/16 The textbook actually covered more than what I was anticipating. Topics are all relevant to a basic public speaking course, and some of the modules could even be used for... read more Reviewed by Kathleen German, Full Professor, Miami University - Oxford, Ohio on 8/21/16 Stand up, Speak-The Practice and Ethics of Public Speaking is a relatively comprehensive textbook, although it's longer than many commercial textbooks which accounts for some of its breadth of coverage. read more Reviewed by Leslie Harris, Associate Professor, University of Wisconsin-Milwaukee on 8/21/16 This is a good basic public speaking textbook. I find no major deficiencies with this work and find it to be very comparable to the major players in popular public speaking texts. I especially appreciate that ethics is covered in addition to standard public speaking information. Although the concepts are clearly defined, there is room for more... read more Reviewed by Narissa Punyanunt-Carter, Associate Professor, Texas Tech University on 3/27/18 This is the BEST public speaking book on the market. read more Reviewed by Emily Plec, Professor, Open Oregon Educational Resources - Western Oregon University on 4/17/19 The only thing lacking from the book is a good foundation and introduction to the classical study of rhetoric from which contemporary public speaking practice draws. read more Reviewed by Sarah Zwick-Tapley, Adjunct Instructor, Colorado State University on 1/7/16 This book is an excellent introduction to public speaking. Yet, what makes this a great text is the break down of key takeaways and more... The table of contents is detailed and covers all subsections within each chapter. read more Reviewed by Stef Donev, Adjunct Faculty, Worcester State University on 6/21/20 In a time when people routinely talk about "fake news" and "alternative facts" and news agencies such as the Associated Press, CBS, NBC, etc., regularly run "fact checks" on speeches and announcements by politicians, government agencies, large... The content is explained clearly, and often in a more concise method than many... The ethics approach is interesting, and provides for many discussion starting points. read more Reviewed by William Bettler, Professor, Hanover College on 10/22/19 As an experiment, I used this text alongside another general public speaking text in my introductory public speaking class. read more Reviewed by David Sours, Humanities Instructor, Rogue Community College on 8/15/17 The book's discussion is generally thorough, explaining concepts clearly, illustrating their importance to the speech development process, and providing concrete examples. It would be nice to see more coverage about... The content is well organized and clearly presented to the reader. read more Reviewed by Alyssa Harter, Assistant Professor, Umpqua Community College on 12/16/19 The textbook is very comprehensive in covering relative topics to Public Speaking in an effective manner. Keeping learning... read more Reviewed by Rachel Davidson, Assistant Professor of Communication, Hanover College on 1/25/19 The book covers every necessary aspect that students need to know for an introductory public speaking course. There are well written chapters for all of the concepts covered in a 100/200 level public speaking course. There is not a section on group presentations, group dynamics, or leadership. Where it stands out is in its excellent and clear advice for the students. read more Reviewed by Paul Vinelli, Instructor, Portland Community College on 8/21/16 As I was reading through the text, I considered whether it effectively complemented my lesson plans - and altogether, I feel it succeeded. The sections on audience-centered speech design, research, and evaluation... Chair/ Instructor, Portland Community College on 1/7/16 The book covered many of the essential elements of a public speaking textbook. However, the textbook is missing an index or glossary of terms that would be important for students to refer to and learn from, either... It's breadth in coverage is what we should expect for a public speaking course. read more Reviewed by Adria Goldman, Assistant Professor of Communication, University of Mary Washington on 4/26/19 The book touches on the main topics traditionally covered in a public speaking text/class, ranging from the role of ethics to the different types of speeches (informative, persuasive, entertaining). This was a major strength of the book. The book goes into great depth in each of its major chapters, and offers students tips on how to tackle... read more Reviewed by Michelle Scaman, Term Faculty, University of Alaska Anchorage on 1/7/21, updated 1/10/21 The textbook addresses the basic concepts of public speaking within a scope that is appropriate for 100 and 200 level courses and provides clear examples as well as useful exercises. read more Reviewed by Brian Timm, Professor, North Hennepin Community College on 5/21/18 This text addresses key concepts appropriate for an introductory level public speaking course. They reflect the standard topics found in almost all mainstream public speaking textbooks. read more Reviewed by David Askay, Assistant Professor, California Polytechnic State University on 7/15/14 The textbook provides a comprehensive discussion of topics related to public speaking, including focused chapters on commonly assigned informative, persuasive, and entertaining speeches.

read more Reviewed by Lisa Merritt, Adjunct Instructor, Central Oregon Community College on 1/14/21 The text organized and follows a logical progression. It covers every major and essential aspect of public speaking. If you... find students are often stymied by the differences between thesis... read more I liked the chart (a student exercise) about ethical issues as well as the comprehensive chapters on Communication... The authors provide an index and glossary, in addition to an embedded table of contents to navigate the text. The text guides readers through the speech... If you... However, there are some major components missing that you will most likely need to supplement. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. All the traditional items one would expect to find in a public... read more Reviewed by Michelle Lutz, Adjunct English and Communication Professor, University of Northwestern - St. Paul on 7/15/14 This wonderful book goes well beyond any communication text I have read or used as a professor. The chapters are well laid however, and the "Key Takeaways" and "Exercises" at the end of each sections provides... The sections on ethics and organization are particularly helpful, and the writing... I falsely thought it was going to be more of a handbook or guide, something I'd use supplementally. I was disappointed however that it does not go into how to write a specific objective or purpose and why that is so important in your thinking and planning... read more Reviewed by Suzanne Burdick, Community College Instructor, Portland Community College on 8/21/16 This text was very comprehensive. However, there is no glossary... Links connect the reader to more information if they are interested in specific examples. read more Reviewed by Patria Lawton, Instructor, Inver Hills Community College on 12/5/16 This text is a comprehensive guide to the many aspects of public speaking. read more Reviewed by Doug Marshall, Assistant Professor , SUNO on 3/25/19 I find Stand up, Speak out to be a very comprehensive public speaking textbook. read more Reviewed by Stacie Williams, Instructor, Portland Community College on 1/7/16 This text stands up very well against many popular public speaking textbooks from large publishing houses that I've used. read more Reviewed by Morgan Hess, Instructor of Record, University of Maryland on 2/1/18 The text covers all areas and ideas of the subject appropriately, some with more originality than others. It reaches out to students by providing relevant stories and illustrations along with bibliographic footnotes. read more Reviewed by Jonna Zinzel, Department Chair, Valley City State University on 1/7/16 The text covers all major components of public speaking in general. Types - informational, persuasive, entertainment. This text was perfect in covering the basics and giving them a good foundation. For example, while... read more Reviewed by Jessica Papajcik, Associate Professor, Stark State College on 8/13/19 Stand up, Speak out scores well on comprehensiveness. It also analyzed reviews to verify trustworthiness. I think the Chapter Exercises and Key Takeaways are especially useful for this element of a speech's introduction. Unfortunately, those... This book does not however have a table of contents, index, glossary or "search"... There was no index, glossary, bibliography, or bold keywords... The advice on dealing with nervousness, analyzing one's audience and adapting... I plan on using this with my peer education group who has to do public speaking. It is highly suitable for an introductory... However, I found it to be lacking in critical thinking skills, such as identifying fallacies. I consistently found that while the two texts had more similarity than difference, this text had extras. read more Reviewed by Constance Berman, Professor of Communication, Berkshire Community College on 6/29/20 Quite comprehensive - including a chapter on the so important but often neglected topic on LISTENING; all parts of a speech structure covered well - intro; body; conclusion. I especially liked the section on ethical public speaking, as a lot of other public speaking texts do not touch on this... read more Reviewed by Kathryn Black Lance, Instructor, Central Lakes Community and Technical College on 1/7/16 The textbook covers all of the necessary topics included in your typical Public Speaking Introductory course to include audience analysis, ethics, listening, organization, outlining, research, language, and topic selection. The section on speech delivery (contained entirely in one... The... read more Reviewed by James Jarc, Assistant Professor, Central Ohio Technical College on 7/29/19 This text is very thorough and comprehensive for the most part. read more Reviewed by Karen Krumrey-Fulks, Lead Faculty, Lane Community College on 1/7/16 This textbook is backed with current research and great examples making it an interesting and informative read. In terms of... read more Reviewed by Jeremy Estrella, Dept. read more Reviewed by Shelly Grady, Adjunct Communication Instructor, Community College of Aurora on 8/14/20 The big concern for me was that there was a brief mention of ethos, but no mention of pathos or logos, and little to no discussion of fallacy. There is nothing lacking in this online resource. One notable feature is the appendix which provides prompts that...
